“ I was very sorry to hear of Val passing. I was out of town last week and was unable to pay my respect to your family. I knew her when my kids were at Oakland Elem. Val was a wonderful friend though I haven't seen her much in the last few years when we would meet we would always chat for a while. She will be greatly missed by all her knew her. My thought and prayer are with your family.

“ Val lived a few streets away from me. I had the pleasure of meeting her through a mutual friend. She was also my cousin Luanne's best friend ever since they were young girls. I didn't know Val real well, but did have the pleasure of being in her presence a few times. She had a lot of spunk and energy. It has saddened me deeply to hear through my cousin of Val's passing, and of the struggle and the fight that she had endured. My heart, my thoughts and my prayers go out to her family. I know that Val was loved deeply by a lot of people and will be sorely missed. My Deepest Sympathy, Gail Rice

“ Although I haven't seen Valerie in several years, my memories are fondest of our times raising small children together in Royal Oak. Our boys were born within months of each other and our youngest daughters were close in age. We had so much to talk about. What I remember most about Valerie is how hard she always worked. Valerie had so much energy. I will always remember her fondly. I love you Val. Marge
