“ Velika and my family have lived next door to each other for 47 years; I was 2 years old. My entire childhood, all of my teen years and all of my 20's were spent hanging out there with her kids. One of my funniest memories was when she was altering a dress for a wedding for me and she just started cutting. I said “wait! Don't you want to measure?” She said “no, honey, for what?!” She started laughing and just kept cutting. It came out perfect; she was an excellent seamstress. Haverhill will never be the same without her. She was my family and will be missed beyond words. I'm sure she's with someone she's missed for a very long time. R.I.P. Velika. You'll forever be in my heart 💜
