“ *Family was precious to Aunt Verda. She cared for her family very deeply. When my father passed away, she took me under her wing. We would talk every weekend. I miss our conversations. Harry and I have a lot of wonderful memories visiting with you in Alabama and Detroit. The one thing I love loved about Aunt Verda was her smile. I would send her flowers to the nursing home and her face would light up with a big smile.*

Thank you for being there for me. I am going to miss your beautiful face and sweet smile.

I know you are at peace and had joyous reunion with the love of your life.

We love you, Harry and Pamela

Harry and I send our love and condolences. To my dear cousins, my heart is breaking for you. My God's arm give peace and strength in the days to come. You are in prayers.
