“ *Verdis was our neighbor and our friend for 25 years. She was such a wonderful lady. She had a green thumb and could cook like a chef. She took such pride in her beautiful garden. One year I helped her, after she had been ill, with her gardening. after she bought me a beautiful giant metal peacock for my Garden, to say thanks. I will treasure it always and remember her fondly every time I look at it. May God bless you my friend. Love you.*
