“ *Dear Greg, Stella, Nicholas, Brian, Nancy, Charlie, Marie, Joe, Joanne, Glenn & Sheila,
So saddened to hear of Ronnie's passing. When I think of Ronnie, I think about how kind she always was to me, how I enjoyed her sense of humour and the enjoyable occasions we played guitars and sang together. I was so pleased that I got to see Ronnie during our visit to Michigan June 2014, but felt sad saying goodbye to her as I felt it would be our last and that she knew it too. My thoughts are with all of you at this time. God bless!

“ *Most people never shared what we had between us. I was 23 and you were almost 31. It seemed like I found my lost sister. This never changed through our happy years together. What fun years we had. I pushed you many times when you said you weren't good at guitar. You loved playing and I enjoyed singing together, we thought we were the best. (We weren't, but who cared.) We've laughed so hard, the tears were rolling. You and Rome took us under your wing and made life fun. The many trips we took were so much fun. No disagreements ever. Love to my dearest friend ever. They say, once in a lifetime. Our lunch was planned this week. Guess I'll go with you in heaven. Get the bridge cards ready in a few years. Love you much.*

“ *A great lady. Mary's BFF. She will be sorely missed by everyone of her friends and family. Our list of great memories is too long to list. We spent so many happy days at her home, Lake St. Helen, Florida and everywhere in between. She is now added to the list of great mutual friends who have passed away but will never be forgotten.*

The memories I have of this wonderful woman are those of her always smiling face; her incredible joy for life; her love of family and her Scottish culture, and her wild kicking dancing! She added sparkle to any occasion that she attended. She shall be missed. RIP in heaven with your clan!

We have a huge hole in our afternoon social/music group here at American House. Most afternoons during the week Ronnie would instigate the gatherings. Irene on piano, Ronnie on guitar, Neil on his trumpet, and Greta on the bongos and a few singers Polly, Vi and MaryLou who knew some verses of many songs. Ronnie had a terrific repertoire of country, and Scottish and Irish songs. Ronnie was the instigator and the glue in the group. We are devastated by her loss but will not forget her spirit. She made fun wherever she arrived. Heaven...watch for her arrival

First and foremost my thoughts and prayers go out to the Nowicki Family....Growing up at my Aunt Vi and uncle Harleys home i was fortunate to meet Ronnie and Rome. I fell fast for them as they always treated me as one of their family. I didn't see much of them throughout the years but when I did it was like we all saw each other yesterday. The love and warmth received will never be replaced. Ronnie, as you pass on to the next life be rest assured you left your mark on many hearts. RIP.

Much Love, Lori Bandy Purpura
