I love you Aunt Jane and I will miss our long talks we had over the years, you taught me allot in life, and the memories of our Christmas traditions. Family is a wonderful meaningful lasting relationship in life. I love you and our family and my prayers are with you all.

Heartbreaking News of the passing of our Aunt Jane, she has and always and will continue to be beautiful Christian, Wife, Mother, Sister, Grandmother and a Dear Aunt to our entire family. Her life is a success story of hard work and dedication driven by love and kindness for family and friends. Her menu delivered love and caring in everything she did. Every event and Holiday has her stamp of perfection on it and she taught us all what Christmas is all about and we will always love her for this gift and treasure her teachings and values. Very sad and difficult news to receive overseas serving our nation forward. May God Bless her journey and provide her a well-deserved place in his heaven where she can continue to guide us and bless our families from her majestic surroundings in the Lord's Kingdom. Our thoughts and prayer go out to her family and may God Bless us all during this sensitive time of transition to her rightful place in heaven, we deeply miss you already!

“*My heart and prayers go out to all of you. I loved your mom. She was such a wonderful force in your family , when we were growing up. I always admired your mom. She taught her girls, by her actions, to be wonderful women. I know she will be missed terribly.*

“ *My sympathy to the family. The Bible tells us at Psalms 90:10 that our life span is 70 or 80 if one is especially strong. Recall the pleasant memories you shared with your loved one.*
