November 10, 1942 - December 20, 2020

Victor "Vic" L. Johnson, of Shelby Township, passed away on December 20, 2020 at the age of 78. Vic married the love of his life, Carol Maas, on October 26, 1968 at Trinity Lutheran Church in Utica. Vic is the cherished husband of 52 years of Carol; the loving father of Andy Johnson and Corri (John) Nastasi; and the adored grandfather of Alivia, Andrew, Stephanie, and Madison. Vic proudly served his country in the United States Army during the Vietnam War. He was self employed as an insulation contractor for 28 years. He was also a life long member of the Shelby Lions Club and the Fraternal Order of Police. Vic liked old cars and snowmobiles, but most of all, he loved being a grandfather and spending time with his grandchildren.

Private family services will be held at this time. However, his services will live streamed starting at 11:00 a.m. on Wednesday, December 23, 2020.

“ First, let me say how sorry John and I are. We're sending love and prayers to Carol and the whole family.

*Vic and Carol were our neighbors for over 20 years and we have so many wonderful memories...*

*Neighborhood Christmas parties, Vic's littany of jokes (he was an amazing joke teller,) "Geese wars," chatting on your front porch, (watching Dante and Vic have heart to hearts on your porch too,) and more.*

*But, my favorite memory was Vic laughing hysterically at me and the boys trying to practice a fire drill on a summer day. We were up on the porch roof and I was trying to wrangle 3 young boys and get them to pay attention. Needless to say, I had no idea Vic was watching the whole thing, but the next time I saw him, he shared the story and laughed 'til he cried at the calamity. He was a gift.*

*We love you guys and will always cherish the memories. Heaven is lucky to have Vic telling jokes and partying with the angels.*

“ It saddens me to have lost another long time friend. Vic and I met in 1964 while stationed in Fort Knox during boot camp. We were then both ordered to Vietnam where our friendship became stronger as we supported each other making that stay easier to endure. This friendship continued for fifty-six years allowing us many many good times together. I will miss him but, he will live on in my heart forever. RIP my friend. Rich Delie

“ My memories of Vic date back to his return from Viet Nam. He shared his wisdom, humor, energy, and love for cars with his cousin, Ron Frank, myself, and some of the other guys in our Royal Oak neighborhood. Vic truly influenced our lives and was a cool guy to the bone. My heart goes out to his family for their loss.
