“ *I never met this man, but I have seen the pain his family went through 14 years after the senseless murder of Victor. He must have been an amazing man. His cousin Corrina was very little when he was lost and she has been robbed of a great family member. We love you Victor!*

“ *Dear Edna and the Salas Family, I am so sorry for your tremendous loss. My heart is heavy with sadness. I pray for you and your family at this difficult time. I don't know if you knew but our lives did cross paths again a few years ago. It was a Saturday morning at Five Star Bowl and we were there with our kids. Victor recognized me, walked right over, shook my hand and introduced me to his family. He was all grown up and so full of life. I'm glad for that chance to see what a good man, fine husband and proud and loving father, the young boy, I knew, had become. My deepest sympathy goes out to you and your family.*
