“ *Uncle Victor was and always will be the BEST Uncle a niece could ask for. He always had that smirk on his face like he was up to something no good. And he always was. He will forever be in my heart and memories no matter where I am in my Life. Aunt Ginny I love you lots. Suzanne*

“ Virginia & family: We never met and didn't know each other personally but we all know what a wonderful man Vic is. Vic along with all of you were there for my son Nikolas and my mother Bosa. I will never forget the help and care all of you gave to both of them. Vic will be remembered with good thoughts and missed much. I am sorry that none of us especially Nikolas is not able to attend the service or funeral. All of you along with Vic are in our thoughts and prayers. Vesna Gourley with family !
