“ Vicky, my heart is so heavy right now. I can't believe you are gone. You were such an amazing woman. As little as you were you still filled the room with your smile. It was never a time that I saw you that you didn't greet me with a hug & a kiss. Just a true sweetheart. Rest in peace, you will truly be miss. Have a diet coke in Heaven on me. Love Always, Keisha Duvall

“ I will truly miss Victoria. She had a spirit that could light up a room. She loved a good romantic comedy and I can remember her crying as we were leaving a movie. I asked her what was wrong, and she told me she was happy because they tell in love at the end. In our line of work we are not supposed to have favorites, but she was mine!
