“ Rev. Fluegge, Paul and family, Sharon and I were saddened to hear about the loss of a special woman in your lives. Although we have seemed to drift apart over the years, my memories of you and Mrs. Fluegge, going out of your way almost daily to take me home after sports practices are still fresh in my mind. You have no idea what a blessing that was for me, for it enabled me to continue to be active in the sports programs at old LHE. I don't think that I have ever thanked you enough. God's continued blessings to you and your family, and the strength of His love keep you and give you peace.

“ Mark, I am so sorry to hear about the loss of your mom. I remember her well from our LHE days. And for a while, your dad preached at Redemption in Sterling Heights, when we were without a pastor and your mom was there to support him. I pray you are able to have peace during this very difficult time....not only losing mom, but right at the holidays. The blessings for her in this victorious homecoming are the losses for those who will miss her. Your family is in my prayers. Kathy
