“ I'll always hold near and dear to me the times we spent together from townhouse, bash, and even Tigerlily/public house. You weren't just a coworker in my eyes you had been a longtime friend to me the whole time I'm so thankful that I had the chance to even know you. Although gone to soon your beautiful soul and heart filled so many with great memories I always think of you whenever I'm making a grilled cheese with tomato bisque it cracks me up every time that of everything I've made guacamole and that grilled cheese combo are your favorite dishes from me. Love you *Tori*.

“ *Tori was unique, loving, dedicated, loyal, and the funniest girl I ever met. She was unlike anyone else and unapologetically herself. She was a dear friend for 13 years and all of us girls will miss her so very much. She is so, so loved for all of eternity.*
