“ Dear Phil, Kathy, Peter and Linda: Your Mother was a true Mother to me for many, many years. I loved her dearly! I am so saddened of her death; but will always remember the wonderful person she was, giving so much to her family and an inspiration to all of us. I will never forget her, and she will always be in my heart! My Love to the Family, Dianne

“ Vicky Porretta Nader had the biggest heart for her family. She took a huge part in family rearing with her mother and father Rosa and Peter Porretta after their arrival in the USA from Sora, Italy. Her sons Peter and Phil were her joy in life and she considered her grandchildren her jewels, so precious. My aunt and godmother opened her heart and home to me when I needed someone to raise me during my mother's illnesses. She will be missed but she was so loved by many.
