“ Thanks to all those who shared good memories and thoughts of Vince. Despite his shortcomings, he had a heart of gold. Vince died, but now he truly lives! He lost his life, but found a better one! He suffered, but now is free of pain and addictions. I will welcome the opportunity to enjoy his presence in heaven. Sue

“ I will try to make this short. Knowing Vince is hard to do. I met Vince in 1961 we lived on the same block and went to the same school. He always had a smile on his face and a light hearted attitude. He was known as the ladies man always handsome and well groomed. He was always a good friend and he will be deeply missed by alot of people Always your friend Dave Ward.

“ Vince and I were good friends in High School for a few years. He was always cheerful, and a reliable friend who genuinely cared about people. We drifted apart, but did see each other a few times after school. Vince was proud of his Family and was a hard working guy. I knew him to be nothing short of a first rate guy. Our thoughts and prayers are with his Family at this time of loss.
