“ *Our thoughts and prayers go out to all of you. Many happy times were spent at her house with visits, graduations, weddings. She had a big smile and even a bigger character. She loved and lived for her Family always opening up her house for someone. Keep your Grandmother's, Great Grandmother's, and Great, Great Grandmother's spirit alive. When you hear something that reminds you of her, know it is her way of saying I am looking down on you, but it is now your turn to carry on.*

Love to all.
