“ *There really are no words to say how much I loved you nor how much I will miss you. You were my MOM when mine was gone and your love was always know by me. You stayed as long as could but there was no cure to be found. Now you are in the Lords place and no more pain and suffering. Love you always Mom and will never forget you and the love you showed us all.*

“ *Dear Grandma, I miss you so much it hurts. I will never forget the wonderful times we had watching jeporady, playing card games like memory and eating baked beans and hot dogs. You have always inspired me to do my best in everything and you always told me how proud you were of me. I will cherish the times we shared and the lessons you taught. I can rember how we would laugh everytime I climbed up behind grandpa and made his hair into a mohawk and the time you taught me to krochea but I only could make it into one very large chain. Grandma your wisdom and love have touched my very soul and shaped who I am today. I thank God everyday that we got to share together and I will carry you with me for the rest of my life. Love you forever Julie Virginia Sanders...*

“ Dear Kitty: I know we have not seen each other for a while you have been in my thoughts. When I learned of your Mother's stay at Clintonair I hoped to see you and offer my support. But since time did not allow this I am sorry now to only be able to offer my sympathy. I heard that your mother was a delightful person. My wife would tell me stories of her in the beauty salon I know she will be greatly missed. If there is anything I can do please contact me...anytime. FRANK REKASI 586-463-6128

“ Grandma, The last time we saw each other it was such a wonderful experience. You were cracking jokes about the lady across the hall who walked around the nursing home naked. You also repeated two things over and over again. A "I miss my husband like mad" and B "Joan is good to me". Well grandma, you don't have to miss him anymore! You were such loving, caring, and beautiful grandmother and I will keep you in my heart as long as I live. bless you jeffrey

“ *It's unfortunate that this had to happen, but at least Grandma knew we all loved her, and that we'll miss her. I'll never forget going to Grandma and Grandpa's house watching them play euchre with my parents, or when Grandma had to babysit me and Steve and I acted like I was a dog all weekend. I'm sure when i licked Grandma's feet it must have freaked her out but I'm sure she at least got a laugh out of it. I'm sorry I can't be there but my thoughts and prayers are with the family. We'll miss you Grandma! Love, Nicky*

“ *Grandma, I will miss those stories of the past that we would share. The stories of our trips when I was young and the things that happened. I was so lucky to have a grandmother that loved me so much. Now your pain is gone and you can be with Grandpa, my mom and dad and play Euchre like the good old days. Love and miss you forever...Johnny*
