“ I miss you so much already Auntie, but I'm glad you are no longer suffering. You were like a second mom to all of us. I know we will all be reunited again someday, so this is just "see you later aligator" as you always said to me. Rest in peace, you will always be in my heart. I love you....Colleen

“ Mom I already miss you so very much. You were one of the kindest most generous people I have ever known. I can only hope I will be half as loving a person as you were. I can find comfort in knowing you are in a better place and you aren't suffering anymore. You will be in my heart always. I love you.Diane
