“ Virginia was a beautiful person who just kept giving until the end of her life. She touched everyone she met. Her and her dear husband Bill are a beautiful example of the true meaning of love. May God bless you and your family always.

“ Virginia - you will be dearly missed and will no longer suffer. We have missed you but will always remember that smile of yours and how you were there for us. We are grateful for all the good you did for the people you served. Now you can rest and move on to do what our good Lord has taken you away from us for. As for Bill and your family, please know that we are here for you if you need anything. Love and God Bless, Tony and Veronica Giganti
