“ We are very sad to say good-bye to our dear sweet friend Vita. My husband, Bill, and I, along with others from our church, have been regularly visiting Wilmar for at least 3 years. We have come to know and love the residents there, and formed a special attachment to Vita and a few others. Each visit, we would laugh, listen to their great stories, play games mostly Bingo, pray together, and just simply love on them. We'll never forget Vita and will always think of her when we visit. To the family... you already know this, but I just want to say that your mother/ grandmother/ sister/ aunt was a beautiful inspiration and amazing woman right up to the end. Who could not be her friend? I miss her and love her dearly.
