

Vjollca Ndoja

September 21, 1959 - April 19, 2025

It is with heavy hearts that we announce the passing of Vjollca Ndoja, a beloved sister, wife, mother, grandmother, and dear friend, who departed this life peacefully on April 19, 2025, at the age of 65. Born on September 21, 1959, in Albania, Vjollca was a radiant presence—a beacon of warmth, light, and love to all who were blessed to know her. She carried with her an unwavering kindness and a spirit that lifted others, even in the darkest of times. Her infectious positivity and genuine care for others were her trademarks, leaving a legacy of compassion that will live on in the hearts of those she touched. Vjollca's greatest joy in life was her family. She is survived by her devoted husband, Ilir; her cherished children, Livja (Jason) and Istri; and her adored grandchildren, Gabriel and Brooklyn, who were truly the light of her life. She also leaves behind her beloved sister, Arta, and brother, Abaz. Their memories of her warmth and laughter will be treasured forever. Vjollca was preceded in death by her dear brother Lulzim and her loving parents, Hasan and Duhije. Vjollca's life was a testament to love in its purest form—a love that never wavered, a love that uplifted others, and a love that will continue to inspire those who knew her. Whether through a kind word, a shared story, or a heartfelt hug, Vjollca made everyone feel seen, heard, and deeply valued. A visitation to celebrate Vjollca's life will be held on Friday, April 25th, 2025, from 4:00 p.m. to 8:00 p.m. at Wm. Sullivan & Son Funeral Home, located at 8459 Hall Road, Utica, MI 48317. A funeral service will take place on Saturday, April 26th, 2025, at 10:00 a.m., followed by a burial at Van

“ Mamushi im. Today I had to say goodbye to you. I got to see your comforting face for the last time and give you my last kiss. It still feels like a bad dream that I'm going to wake up from any moment now, but unfortunately this is our reality.

You were my rock and my best friend. I don't know how I'm going to learn how to live without you, but I know i will because that's exactly what you'd want. I'm going to miss our numerous daily conversations, your optimism and positivity and most of all your hilarious and infectious humor. Your sense of humor never ceased no matter how sick you got or how bad you felt, you always found ways to make jokes and laugh without restraint. April fools was like your own personal national holiday. You loved pranking everyone. Do you remember when you snuk a rubber snake in my bed while I was sleeping? Gosh I screamed my head off while you were laughing hysterically to the point where you couldn't breath! "Ahah e hengre" me thoje gjithemone. April fools is going to make me think of you all the time now.

Mamush I may not be able to call you constantly anymore and listen to your calming voice, but I'm still going to talk to you every day knowing you're listening to my every word. I met up with daja and Halla Nini dhe Nena Duhijen e Bab Conen dhe po na merrni te gjithve nepër goje :). I told Brook and Gabe that we now have our own personal Angel who will always be on our side and watch over us.

I'm going to miss you so so much that words can never explain. We all are because the void you left behind can never be filled. I hope you're finally at peace now mom without pain or discomfort. We love our Noni so so much, to the moon and back.

“ Vjollca – We did not have as much time as I would have liked together. However short, I always enjoyed your playful nature and kind heart. You welcomed me into your family with open arms, and I will be forever grateful. I am reminded of you each and every day through your daughter who you have raised to be just like you. Your spirit will live on forever within Livja for which I am grateful to have in my life. I will always be your Shabon. May you continue to Laugh in your Eternal Life. I will miss you dearly until we meet again. Love Jason
