“ *Sincere condolences to the family. I left Selfridge in 1981 after 16 years in the Reserves. Wally was well respected by everyone. He was a credit to himself and the United States Air Force.*

*Thank you for your kind words and condolences. Selfridge Field was always my father's happy space. He loved and respected everyone he worked with and around. And the stories he told. The Corsair he resembled is still at the museum on base. Thanks again. Sincerely,
Mae Strenciwilk*
