“ *thinking of all of you on this most difficult of days and wishing i was there. i have so many great memories of all of our times together starting in the 70's-can that be possible? through the parties, weddings, graduations, and babies we have stayed in touch and shared the joy of friendship. wally lived his life to the fullest and exactly how he wanted. he was always willing to lend a hand and good advice, always a kind word. in fact, i believe i have always seen him smiling! he was a lucky man to have all of you in his life and he knew it. i love you all. my prayers and thoughts are with you now and always. love, laurie*
