“ Sharon and Family:

*I am so sorry to hear about Walter. I loved him and respected him. I loved his love for food - no matter what kind he always knew where to get the best, you name it, food. Just like he knew how to find us the best deal on insurance. My son said it best - "I trusted Walt". We're going to miss him. If there is anything you need just call - I'm sure my number is in his phone. God Bless you and your family.*

*Sorry I can't make the funeral.*

“ *Sharon, Christopher, Kenneth, Dawn, Lance, Scott, Danielle and Kevin - Death leaves heartache only God can heal. Trust in His love and His mercy knowing that you are not alone in your sorrow. May you find comfort knowing that those who love the Lord live forever in heaven, even as their memory lives forever in our hearts.*
