“ So sorry to hear this. Wally and I were childhood friends as I lived a block over on Fisher. Was hoping to see him again at the Lincoln reunion. My thought and prayers to the family.

“ To the family of Walt. My sincere and deepest condolences to you in this time of grieving. Walt was a great individual that I enjoyed having many conversations, barbaques, meals and trips to the casino with. Additionally, over the last few years Walt has treated my mother better than anybody. Allowing her to live with him and accepting her into his home was a true blessing for her. They shared many good times together and took care of eachother like great friends do. Walt will be forever missed and admired by everyone who had the privilege of meeting and knowing him. Sincere condolences, Chris Aziz.

“ To the family of Ensman Walter: Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" Rev 21:3.4 and assures us that God hears our prayers Ps 55:22. I hope this brings you some peace at this difficult time.
