To the family of Wally, my family, My memories are clouded by the occurrence of far too many years passing as we grew up in old Delray, but I remember Wally as the older brother of Tommy, my playmate in our "formative" years. He was the typical older brother as was mine and had their own click, but he was always tolerant of us as only an older brother could be. I will pray for him and all of you.

“ *Wally will be deeply missed. David and I have many good memories of our times together with Wally and Mckey especially their 4th of July gatherings and family celebrations. Lately we have been meeting for lunch usually at hs favorite downriver restaurant, The Rhapsody. He came up to or cottage last summer for a few days and had his airline ticket to visit with us in Florida. It is comforting knowing he is together again with his dear Mickey. RIP Wally! <3*

“ *Our wonderful brother Wally, we will miss you always, but we know you are happy now to be united with Mickey. We know how much you have missed her. What a wonderful couple you two were. And wonderful parents and grandparents too! We enjoyed many 4th of July parties at your house. And all the showers, weddings, christenings and graduations. And how great you and Mickey were to me, when I was sick, your calls and visits meant so much to Frank and I. And all the mints from Mickey! When we last saw you at the Rhapsody, we talked about taking you out to lunch, when the weather breaks and then visiting Mickey at the Cemetery. Frank and I promise do that when the weather breaks and now visit you both. We'll never forget you and will miss you always!*

“ My dear brother -- a loving son adored by his parents; a wonderful brother full of love - throughout the decades we have shared so many good times together playing cards, enjoying great conversation over family gatherings and we shared life's greatest moments together - weddings, christenings, birthdays, anniversaries & holidays and of course the famous 4th of July picnics you and Mickey hosted for years. A devoted husband who loved and cared for his wife with such tenderness; he was so proud of all his children and grandchildren -- they meant the world to him, he spoke of them always with love and affection. He had many blessings in his life and he gave many blessings to all those he came in contact with. Any one who called him "my friend" is indeed blessed. He always had a ready smile and he enjoyed an occasional teasing & prankster moment with his siblings. I will cherish the memories and keep you in my heart and mind forever. May you have eternal rest with our Lord. All my love now and forever, Dorothy

I'll always remember the one and only fishing trip we went on to Chapleau, Canada. It was an honor to fill my Dad's spot and experience a week with his brothers and my uncles. I'll also remember the conversations I had with Uncle Wally before we turned in for the night. We talked about his time at Chrysler and past fishing trips he had been on with my Dad. I'll never forget the day we spent on the lake together as a fishing team and the memories he shared. My Dad was always proud of what you did with your life and how you lived it.

Your nephew, Lee Weglarz and Jill and Ty.
