“ I have very fond memories growing up with Anna and spending so much time with both of Anna's parents. They made me feel like I was part of their family! I especially enjoyed our trips to help open up the cottage for the summer. I would ride my bike to Anna's house every day after sports practice to work on homework with Anna. Wanda used to tell me I spent too much time on sports and I needed to be over their house more doing homework! Wanda was extremely intelligent and could see Anna's intelligence and potential at a very young age! I am blessed to have grown up with Anna and to have her family as part of my life. I cherish the memories to this day. Your family will continue to be in my prayers when I say the rosary every evening with Ernie. God bless you!

All my love always,
Donna
