“ Dear Linda, I was so sorry to hear about your mother's passing. You're in my thoughts and prayers. I've been without my own mom since I was a teenager, but I have learned that no one reaches an age where they are ready for such a great loss. Take care. Karen

“ I am a friend of Wanda's neighbor, and I am very saddened to hear of her passing. Wanda would stop and chat as I waited on the patio for my friend to get home from work Thursdays. She always entertained me talking of her weekend plans of movies, dinners, and casino trips and her endless knowledge of flowers/plants. Unlike the "boring" colors we joked that she painted in her house, Wanda was anything but boring. After talking with her I'd always think - I sure hope I can still get out and enjoy everything like she does when I get older. Wish I had a chance to say goodbye and have one last rum and coke with her. Until we meet again..... To the family - you are in my thoughts and prayers. God Bless.
