“ Dolly & Family: Where did the years go? Though time has separated us,I will always love and miss Warren. He was the best Boss and Friend a person could have. I have so many fond memories of Warren and the family. Warren was so much fun to work for at Bazley's and even catering. There was never a dull moment. I pray that God will wrap his arms around each and everyone of you. I can only imagine the reunion when Warren saw his son.....Praise God. I guess our only consellation is that we too will see Warren again someday. Love to you all, Brenda

“ I remember a lot of laughter, golfing when he should of been working. Practical jokes, when Lisa was prenant with Jess, and the winning lottery ticket with Dad, Lisa and Warren. Thought for sure Lisa was going into labor then and there. Playing cards, eating good food. Family was his pride and joy. He would say to me moderation Brenda and do that silly hand waving. I was always lost, he always helped me find my way back to Romeo Pizza. I was not good at delivery. We did have fun. So many memories to make you smile. I love you..miss you. Brenda
