

Warren Goodin

July 19, 1933 - April 27, 2024

Warren Goodin, a devoted family man and retired member of the United States Navy, passed away peacefully on April 27, 2024, at the age of 90. Born on July 19, 1933, Warren's life was marked by service, love, and unwavering dedication to those he held dear. Warren was the cherished husband of both Elvira Goodin and the late Mary Ann, with whom he shared a lifetime of love and memories. His role as a father was central to his identity and he leaves behind a legacy of profound love and guidance for his children, Marie (Dale) Reed, Jerry (Jamie) Goodin, and the late Mark Goodin. He found immense joy in being a grandfather to Kaitlin, Amanda, Jeffrey, and Samantha, and his heart swelled with pride at the arrival of his great-granddaughter, Elliana. Having served his country with honor in the United States Navy, Warren's commitment to duty and discipline carried over into his family life. Yet, beyond his military service, Warren's true joy was found in the simple pleasures of life. He reveled in spending quality time with his loved ones, whether it was gathering for picnics in the sunshine or enjoying leisurely walks in the park. His warmth and kindness touched the hearts of all who knew him and his presence brought comfort and joy to those around him. Warren's passing leaves a void in the lives of his family and friends, but his memory will forever be cherished. He leaves behind a legacy of love, sacrifice, and unwavering devotion that will continue to inspire those who knew him. A visitation will take place on Thursday (May 2nd) at the Wm. Sullivan and Son Funeral Home 8459 Hall Rd (3Blks E. of Van Dyke), Utica from 10am until the time of service

at 11am. Please share a memory of Warren on his tribute wall.

“ Ed has been my neighbor my entire life. As a kid growing up nextdoor to Ed, I always remember him being a hard worker. He would visit with my parents in the front yard and always had a broom, a rake or a water hose in his hand. Sometimes he would spray us kids with the water as we rode by on our bikes and we would think it was hilarious.

He loved his wife, Maryann, his kids, his grandkids and he had a lot of compassion and care for many others. Always lending a helping hand to those in need. Ed has played a significant role in my husband's life. Helping him out and being there for him for many years. Kevin and I hope Ed knew how incredibly grateful we are to him.

I'd like to leave some advice Ed gave Kevin and I when we were about to get married. One day, we were outside having a disagreement and Ed came out and asked what was going on. We told him our disagreement, which I don't even remember what it was about now, but he stopped us said...can you tell me how and when you first met? He knew how we met because Kevin was living with him and I lived next door. But he made us recall how we felt when we met. He made us think about those feelings of love and excitement of a new relationship. It made us smile. Then he told us...whenever you get into an argument....just think about when you first met and fell in love. Even if you have to look at a picture from that time. Remember the love you had back then and think about whether this disagreement is worth it or not. Don't argue, but talk it through, compromise. But never forget how you felt for each other when you first fell in love. Kevin and I still refer to this advice to this day. Without that advice, I'm not sure if we would've gotten through some of those disagreements. Thank you, Ed, for your wisdom and for being a great mentor. May you rest in peace. Many prayers, love and hugs to Marie and Jerry and their families. We love you all.
Love, Kevin, Tina, Hailee and Adam Gerrick

“ My Dad loved his kids and family. He was in the Navy and worked hard to support his family. When he retired from the Navy we moved to Michigan and he worked for family at Sherwood Forest, where he held many rolls even taking care of the farm animals during the holiday season. The animals were family to him too. He gave many of our friends jobs when they were younger. My Mom and Dad brought me up going to church I am grateful for that. I know my Dad is with the Lord my Mom, Mark and many other family members. He will be Deeply missed. His Loving Daughter
