“ Throughout my 66 years, I have met many people, but the times I spent at Miller Marina as Wayne's next door neighbor will remain in my memory as one of the favorite times of my life. Although I hadn't seen Wayne for quite awhile, I still consider him one of my best friends. Time goes so quickly. I wish I could have said goodbye. My condolences to Norma, Steve, Matt, and family. To Wayne.....Keep 'em laughing 'til I get there.

“ Rest in peace, my dear friend! You, your mom, dad and brother, Dave, took me in during the summer of my 6th grade as my family began to break up. I will never forget feeling like a brother to you and Dave and a son to your mom and dad. Through the years, you Norma, Matt and Steve have been so much a part of my family, leaving us all with such wonderful memories...Mio, our military service during the Vietnam war, hunting, fishing, snowmobiling, boating, BMDC and spending lots of fun times together! I am so grateful that you and your family have been a very important part of our lives! I love you and will miss you! Ray Brantley
