“ *I mostly knew Wayne as Monica's father because she is a long time friend of my daughter. There were many days when I would be picking Taylor up and he was always welcoming and friendly at the house and we would joke about the joys of having daughters. It was clear that he was an involved and proud Dad. I admired the home he created for his family, his strong work ethic, his sense of humor and easy going personality. I appreciated the way he made Taylor feel like one of the family and I always knew that she was safe, happy and welcomed at their home. Hearing of his passing has brought back many memories of the Ogne family and how much I admire them. My heart goes out to you all. You were very lucky to have such an amazing Husband and Dad and just know that so many people will remember him as a great guy that truly loved his family!*

“ *We rubbed each other the wrong way and didn't always see eye to eye but I had a deep respect for Wayne. His giving nature to Love for a Child made me really appreciate him so much more than he knew. He should have had more time and I am so sad for those that mourn his loss. Rest in peace, Brother.*

“ *I could write a novel about this amazing man. He was my best friend and was like a brother to me. I have never met someone who made me laugh so much. So many fun and crazy memories. But most of all he LOVED his family and he loved Jesus.*
