“ Although I have never met Wayne, and only recently corresponded with him on family genealogy matters, I feel like I have lost a close family member. Wayne was such an interesting and insightful person, and we had planned, along with Alice, to work on a Pricer genealogy compilation for publication. I feel a real void with the loss of Wayne and send my deepest sympathy and condolences to Alice and his children. Bob Pricer

“ In the brief time I've known Wayne via our genealogy interests, he impressed me as a very kind and sharing person. He is one of my cousins, albeit distant, I would have liked to have met. Much love to his family in this time of sorrow.

“ I am so sorry for your loss. I knew Mr. Pricer at Oakland Community College. I was his secretary for a while before he became too ill to work. He was a very sweet man. My prayers are with you and your family.

“ We'll miss Uncle Wayne and his one of a kind sense of humor. He was a man that lived to help others and give them the chance they needed. He made a difference in many people's lives. For these and many other reasons we celebrate his life. God Bless his life and all of those he touched.
