“ Wayne will be greatly missed. I have only known him since December 2002 when I began working at Sheldon Supply, but it feels as though I've known him a lot longer. He was a very kind and generous person with a great sense of humor whom I enjoyed working with. He enjoyed traveling road trips, writing he brought in copies of some of his writings to show me at work and woodworking he even made name ornaments for my daughters' for this past Christmas. I feel priveleged to have known this wonderful man. My family's thoughts and prayers are with his family at this difficult time. May you have many fond and wonderful memories to look back upon through the years to come. God bless and take care of you through all of this.
