“ *I am so sad to hear that we've lost Wendy. I worked with Wendy many years ago. She was truly a unique person. We went fishing on my lake one summer and had so many laughs. It touched me when she told me she had not been fishing since she lost her beloved fishing buddy - her grandma. I pray that they are together again and I pray for peace for her mother and the rest of the family she loved so much.*

“ Judy, Kelly and Doug, We are so sorry to hear of Wendy's passing. I have so many childhood memories of playing with Wendy-- among my favorites is pedaling like mad, racing our old pedal cars around the driveway apron in my parents' backyard we all wanted to drive the cool Mustang car instead of the old clunker one! And I will miss her mischievous giggle! Knowing that our loss is Heaven's gain, I pray God will comfort each of you with the peace that only He can provide. Love, Val
