“ I remember when Wendy started working at the DuPont plant in Toledo, Ohio. She was always a hard worker and was known for her big smile and outgoing, friendly nature. I worked with Mike at the DuPont plants in Toledo and Mt. Clemons, a great guy that did tons of projects. I remember when Mike met Wendy, got married and we all ended up moving to work at the Mt. Clemens plant. My wife and I visited there house there, met their two great kids and always had a great time. Wendy was always out-going, with a cheerful outlook that she naturally shared with everyone that met her; a great woman, wife, mother and friend that will be missed..... .....from Gary (& Linda) Currall
