“ *Warner,*

I know our visits at your work location were short but I did enjoy seeing and talking with you. To bad we didn't get to grow a relationship in high-school days May God Bless. Amen 🙏

“ I have had the pleasure of knowing Werner since he started dating Jody. We were fast friends and I thoroughly enjoyed his company, he was always fun, generous, very funny, and a true joy to be around. I am going to miss him dearly!! My husband always enjoyed his company he just seemed to get along with anyone. We are sincerely saddened for all his loved ones as this will be a difficult loss. Our deepest sympathies to all who knew and loved him. But we know he would not want any of us to grieve too long but instead to celebrate a life well lived and to celebrate with love and much laughter!! He was taken too soon and so unexpectedly. We will miss you dear friend. Deepest condolences and much love. Cheryl and Andy Bell

“ Deepest sympathy to his family. Werner will be missed by many. I worked with him several years ago and he was a bright spot in a dismal job, always making us laugh. That is how I will remember him and will try to honor him by making others laugh.
Sincerely, Deb
