“ *Mark & Family: I didn't have the opportunity to meet Wilbur but I might have experienced a hint of how wonderful he was because Mark is so terrific. I assume Mark acquired some of his generous heart, compassionate spirit, his way of accepting everyone and friendly sense of humor from his dad. I am sorry for your loss. Wishing you all strength and peace, Barbara Blaine*

“ Wil is an easy character to like. Right from the beginnings he would meet with a smile and end with fun quip. Wil always sought out what was fair. I have never known him to seek to take the advantage. It was my pleasure to track down the Lyman Museum in Hawaii on his urging and give him report on my return. He was passionate about his music. An admirable quality that he got from his mother. His drive to share the lore from the fiddle earned me an invitation to his home 'jamboree.' This beauty I will always cherish. No doubt Wil was met by a roaring musical chorus . October fifteenth will always be a special date between Wil and I. God Bless!- Mark P, St John Pharmacy
