“ *What an inspiration Mr Bateman was! How he lead his family, how encouraging he was, how kind. I'll never forget his chuckle and his smile. He and the Mrs raised 4 great kids as well. This man graced our planet and did wonderful things while he was here. Now he is in the presence of his savior, and reunited with his daughter. What a blessing, that we will all see him again.*

“ *Such a great picture of him. I have great memories of Uncle Bill, most recently, having breakfast with he and Aunt Louise and my hubby. My hubby had not had the chance to just sit and talk with him before. We talked for what seemed like hours. We are so glad we will see him again some day. Our love to you all, praying for you.*

“ *As far back as I can remember, Uncle Bill would greet us with a warm smile and a great big hug and kiss. He shared birthdays with my daughter. When he would visit in Florida with my parents, we always celebrated it together. Many memories and pictures. Love and condolences to Aunt Louise and cousins*

“ *I have many fond memories of Uncle Bill, including seeing him at the Universal Mall in Warren, where he liked to walk and visit his friends back in the late 80's, early 90's. I would always seek him out because he was always so sweet and kind to me, and always tried to make me laugh. He will truly be missed. Rest in Paradise, Uncle Bill! Carol Prather Kinney*
