“ I was deeply saddened to hear of your loss. Bill treated my daughter Danielle Ervin Morgan like a daughter. For that, I will be forever grateful. My thoughts are with Katie my "other daughter" and her family at this time. And Katie, may you take comfort in knowing that an angel is watching over you now. All my love and prayers...

“ Bill will be greatly missed by me I feel I've lost a father He treated me as if I was his own son. It was very easy to feel welcomed in this family due to the love and warmth that he showed me. I promised to him once long ago that I would take care of his daughter while he was here and now that he's gone. I'll never let any harm come to Don & Katie, you did such a great job raising them. Bill was always there to sit and talk with me about any marriages issues I may have or just bitch about Jim Leyland costing the tigers another game. He was a great listener and talker. When ever I had a problem and needed a person to talk to he was always there...for all of us. Now Bill has passed on our hearts are broken but he will live on in our memories and never forget him. Bill I know your in heaven walking and living once again looking down on us all but know that your son Steve misses you very much. I'll always love you "Dad #2" to infinity and infinity never ends.

“ *My prayers are with the families and friends of my dear cousin Billy. I remember when we were kids growing up how close we were. I was like a sister to Billy and his brothers. We had such good times as kids. As we got older we went our separate ways but I've thought about him. Billy will be missed. God watch over you.*

“ Daddy, you were my rock. The sunshine to my rain, the laughs to my cries. I don't know how I am ever going to make it through this life without you there beside me. I know you will be forever with me in my heart and looking down on me from the heavens. I'm so blessed to have had you for the time I did. I am what I am today because of you. I love you to infinity and beyond and will miss you every second of everyday until we meet again.
