“ *What can I say, Bill you were a character. You always left us laughing, weather with you or at you. You loved your family and held you friends close. I didn't know you were a sky diver or pilot. You loved one of my best friends and that was important to me. You were a great provider for your family. You will be missed Bill. Your family is in my prayers.*

“ *I had the privilege and honor to call Bill my friend. He sure loved the military we served and his family. Rarely do you find a man as gracious and kind as Bill was to me and my family- he welcomed us without any expectations. For his kindness, I am forever grateful. Bill will not be forgotten. Love to his family, Andrea Sting*
