“ *Bill was my neighbor then a one of my best friends. He carried me to the truck and then into the Drs office when I couldn't walk. He was there for my drive home after cancer surgery. We had a first ripe tomato contest and partied on "Lake Avalon". Did I mention help to raise Drew? Love you Bill and love you Michelle.*

“ *I played hockey against Wild Bill, then known as Crazy Willie back in the 60's. We lost rough for many years. It resurfaced in the oldtimers leagues. We became good friends. We once hated each other. He wasn't the greatest player, but he had more guts than anyone. He is up in Heaven playing again. Probably knocking someone on their ass. Rest in Peace. Terry Herbert*
