“ I remember Bill as a good businessman who was so honest in his business practices. Sharron and I enjoyed meals at both of our homes as marriage united our son, Jon and their daughter, Karen. Indeed he was a most supportive husband to Sue for years. As a grandfather to Conor and Reagan, he will be missed as he was the Grandfather with the riding tractor!

“ I am saddened to read of Bill's passing, and the family's loss. Bill was so very kind to me and my family in Caro years ago. I always appreciated his honest, open concern and caring nature. My son, Phil, worked part time in the tire store while in high school in the 90's, and still speaks so highly of his treatment there. Thank you, Bill.

“ We are so very sorry to hear about Bill's passing. I thought about him last night 12-4 when I drove by his house, it was dark and looked so empty and alone, I wondered how he was doing. We were his neighbors on the south side, and have missed him since he left this past summer. We thought he was a very sweet, friendly, and hard-working man. So attentive to Sue in her long illness, and loyal in his daily visits with her, then so lonely in her absence. We will miss his friendly smile, ready wave, and just knowing that he's there. We had many driveway chats and front porch visits through the years...many's the time our fox terrior Moonpie would escape and flee through our meadow field into Bill's back yard, and he'd come out and help us catch her, then we'd chat for a half hour! Such a dear heart...all our sympathies go to his family in their time of loss.
