“ *Dad, You will never know how much you are missed, or how much you were loved, there are no words to fill our loss. A year ago today God took you home with him and I lost my dad, my life has not been the same or never will be again, my heart cries for you every day, you were our rock dad and now there is a big hole in our pile. until the day we meet again in heaven Dad I love you and miss you so very much. I miss you dad Roseanne*
