“ I'm so sorry to hear of my cousin Bill passing. We had lost touch after our parents all passed. Think of him and John often. We all grew up together in Homer. Bill was so fun and sweet as we were growing up. Rest in Peace dear cousin. Susan, Snyder, Taylor

“ I am so saddened by the passing of my father and I know that there are many others that are to. Over the past few days my heart was overwhelmed to see how many people my father had an impact on. He was a great guy in every aspect of his life. I am so thankful for my time of sharing rides to work and seeing him on a daily basis at work, I was fortunate to see him every day, I will deeply miss our visits. I hope that you are enjoying some Heirloom tomatoes and catching the biggest trout ever, you are the "Trout Master"! I will miss you dad. You will be in my heart forever and I will tell my son about you all of the time.
