“ I am so very sorry for your loss. Mr. Gliesman will always be a huge part of my life. I still remember all the times that he would come home from work while Allie, Jenny and I were playing in the basement and the two of them tearing up the stairs to greet him. So many wonderful memories - too many to list. May God grant you the serenity to get through this, and the peace to know that he is still with us.

“ It was with great sadness that I read the news this morning. While it has been many years since we attended school together, it is important for me to let Cindy and her entire family know that we remember and care. Having returned to Michigan after many years living out of state, I am sorry we didn't have the pleasure of sharing time in your lives as adults. It is obvious Bill gave much to many, and I am sure he will be greatly missed. Sincerely, Kathy and Mike LaFleur
