“ God brought one of his angels home early, whose life and love will be deeply missed by everyone who knew him. Though I did not know Bill very long, his radiant kindness, genuine smile and devotion to family were so apparent and inspiring. Its hard to explain why the confluence of circumstances happen as they do -- only God knows -- but Jodi, Alex, Patricia and his entire family and family-to-be will surely be graced by an angel in heaven inspiring them in yet-unknown ways and cheering them on in everything they do. Bill's spirit and his family are in my thoughts and in my prayers. Lou August

“ My deepest sympathies to the Fisher family during this difficult time. I pray you find comfort and peace knowing the patriarch of your family went on to the Lord with no more pain and already knowing his grandson created in the eyes of the Lord. He is now truly blessed in the Heavens.

“ I was so incredibly sad & devastated hearing the news about losing Bill-I didn't even know he had cancer-my hope is that he was able to enjoy quality time with you since his retirement 2 years ago. Rick and I are always joking around about the old days at work and Bill was often included in the conversations-lots of laughs-I feel so honored to have had the pleasure of working with Bill for 30 years-as well as Jodi when she worked there and, of course, Pat, your famous potatoes that we looked forward every year at our X-Mas Luncheon- I still think about them to this day, they were always the highlight of the meal & Bill was always so proud about that. Not to forget, Pat, that the 2 of you going to Helen's bar when you travelled to Charlevoix-and the yummy steak dinner we shared at that steak place on Van Dyke many years-sending you lots of love, hugs, and prayers-you guys are and will always still be part of your other family-Buff Whelan Chevy-don't ever forget that-we all love you, please let me/us know if you should ever need anything..xoxoxo Kerry

“ I am so very sorry to hear about your families loss.. I have so many great memories of Mr. Fisher... From growing up living next door to working with him at Buff Whelan later in life, Mr. Fisher was definitely one of the good guys and will dearly be missed.. Whether it was a 4th of July "Birthday" party or just sitting in his garage drinking a few cold Budweisers, good old Bill was always a good time and usually the life of any party.. His passion and love for the Detroit Lions, Family and Work was like no other.. As Barb said in an earlier comment he ALWAYS had the perfect lawn in the summer and the perfect driveway after a snowfall in the winter, growing up next door to him we always knew to never play on his grass after it was freshly cut or drive in his driveway before he cleared it with his snowblower : My sincere thoughts and prayers go out to you all.. Xoxox R.I.P Bill and say hello to my Dad for me as he always loved living next door to you and having you as a good neighbor and friend!!

“ I have so many memories of Mr. Fisher. He was the dad of my very best friend, Kim, and was always so welcoming to me whenever I visited which was very often. Mr. Fisher always made us laugh and was usually goofing around. He always had the best looking lawn and took meticulous care of his pool which we enjoyed every summer. He certainly loved cooking on his round weber grill and loved sitting back with a cold beer or two ; Best of all, he loved the Detroit Lions! My prayers for all his family, but especially Mrs. Fisher, Kim, Suzanne and Jodi during this difficult time.
