“ *My Dear Dad,*

*I miss you so very much. Life is not the same without you. Mom joined you in Heaven 5 months ago. I miss you both so much. We had Christmas Eve just the way you & mom would have had it for all of us. The Christmas Tree is pretty. We had Jesus a birthday cake as always & sang Happy Birthday to him. A huge dinner. Yes enough for next day leftovers.*

*I am a great grandma to Ethan James (Lydia's baby) that makes you a great great grandpa. Shannons a wonderful Grandma. Coty Graduates High School next year. Mom was a great great grandma 6 weeks. We had 5 generations. Matthew is doing great. I know you see us, and are happy.*

*I can't watch Nascar Racing much without you. We sure did enjoy them. You & mom are walking with Jesus. Talking to him. How precious.*

*Being a Christian is well worth the benefits of Heaven. I am glad you don't suffer no more. Your young & can run again. I know your one of the Angels among us. Because in my loneliest times I can feel Jesus presence & you are with him. You taught me well.*

*You & mom always allowed me to go to church as much & as often as I wanted as a young girl. I cherish that memory. I am in a good Bible believing church. One day I will be with you & mom. We will celebrate eternity with Jesus. All my love, your daughter Pam*

“ To the family of Darrell Frazier. Although I haven't seen Darrell since he stayed the night with me and my family here in Kingsport when his Father was in the hospital here. I have a lot of memories of him when we were young. I am very sorry for your loss. I apologise for the late condolences but I just got word of his passing today from Donna. In loving memory of my first cousin. Connie Mack

“*Dear Aunt Kitty & family, I was so saddened to hear of Uncle Darrell's death and want you to know that you are in mine & Bob's prayers. I have so many fond memories of coming to your house, I laughingly remember the time Lisa & I each drank a full glass of dill pickle juice, unknown to you & Uncle Darrell, & I started vomiting during the night & Uncle Darrell was so concerned for me he got me in the car & took me home thinking I had the flu! The times at Round Lake camping together, the Christmas Eve services at your church, the shared holidays, are just a few of them; but in all of them Uncle Darrell with his quiet but kind ways was a part. May God bless you with His great comfort. Love, Sandy Frazier Schwartz*

“*Aunt Kitty & family, I am so sorry for your loss. Uncle Darrell was such a gentle, soft spoken man. I will never forget the fun times I had at your home and the great camping trips at Round Lake. He never raised his voice when Pam, Timmy, and I got carried away playing. He is with Jesus now and more alive than any of us. I will be praying for all of you. Love, Donna Frazier Reich*

*Dear Dad*

*Donna Frazier-Reich is now with you now with Jesus. She went to Heaven June 2, 2021 at 64yrs old. She no longer have ALS. Dad you no longer have a crippled leg. . And in pain ni more. Donna said in condolences to you which goes for both if you now. You are with Jesus & more alive than any of us here on earth. I really miss you Dad. My heart still aches for you & mom. Family is divided. I don't know why. Life is so difficult without you. You had such a simple way to help us kids figure things out. You was so smart. I am glad you are not suffering. The rare disease of Blistic NR Leukemia you passed away from. You are in the Library at Royal Oak Beaumont. To others that do not know my dad was the first person in the USA to have this disease. Dr Matthew Cotant oncologist sent a sample to be tested at a big hospital out west. 2 men in Germany had it. One man had passed away. The other man waa passing.. Dadc you lived 3 yrs with something nobody knew what to do. Dr Cotant did great helping you. I will always remember especially the 19 days straight you stayed here in your bedroom before bleeding out at moms & going to hospital. Then Brian's House for care. You waa Baptized there. Uncle Roger came for it. You thought it was a beautiful clean place. You liked it there..Wec all was with you dad. I miss you & our talks so much. Miss us challenging each other on Wheel are of fortune. And Jeopardy. A lot more difficult challenging games on tv now. We could really have fun. I look forward to Heaven. I will be glad to see Jesus. That hasx been my desire since I accepted him as my Saviot at 13. Thank you got always allowing me to go to church as much as I wanted which was about 3x a week. I am 64 now. I love the Lord so much. Without him I am nothing. Wish you could come see me in a dream. Mom is there now almost 5 yrs. wish you both could be angels around me like talked about in Hebrews. I am never alone with Jesus. Excited to see Jesus & all my loved ones. Love always, your daughter Pam*

“ Grandpa, Even though you never talked all that much, when you did speak you always made me laugh or smile. Your last words to me were hilarious and I will never forget what you said to me. You were always humble and that is something I remind myself to be everyday. You helped so many and never asked for anything in return. I hope you rest in peace and are enjoying paradise. Love you forever, Grandpa. Matthew
