“ Uncle Bill and aunt Carolyn were always so welcoming. I love to come over and hang out with Nancy and Julie. Just said hi to Peter and Chris.
My mom always looked up to aunt Carolyn and I know she appreciated the relationship with them. Uncle Bill always had a smile on his face and a project he was working on. The world is less without them. Love, Kelly.

“ Deepest condolences to the family. I have very fond memories of Mr. Gayde, especially when he became our scoutmaster for the boyscout troop that I was a part of. Mr. Gayde always found time to listen to us. He was a pleasure to talk with and never had a bad thing to say about anyone. Sincerely, Dale and Jennie Coughlin

“ I am a long time friend of Nancy, Bill & Carolyn's youngest daughter. I've had the pleasure of experiencing and sharing a few of Bill's fantastic traits. On his love of travel - Bill and Carolyn came to London to expand on their joint love of travel. I was able to meet up with them (I currently live in England) and enjoyed a lovely afternoon with them both. We did some sightseeing and chatted effortlessly for hours. A few years later, after having 2 children of my own, we visited Bill & Carolyn at their home. Bill took some very special time to engage my eldest with the piano. His easy going nature and his generosity with his time captivated my daughter and I saw how his personality leant itself to his various roles with children. Obviously, I've spent other time with him but those two memories, still remain my fondest. My heart goes out to his family and close friends - he was a wonderful human and impacted more lives than he ever could know. Thank you for these memories Bill and thank you Nancy for sharing your dad with me and my children.

“ Bill and Carolyn were neighbors of ours in Huntington Woods. Bill was always available to help by cutting branches that had fallen and covered our drive to replacing a toilet which had an apple stuck in it. Thanks to Our daughter. He also was encouraging me to buy a place in Florida which we still have. In later years he would share baseball tickets with me as well as others. He and Carolyn loved the Tigers and either were at the games or at home watching them on T V. He was kind and very considerate of others. Without a doubt the sharpest knife on the table. The clock I have in my home he made. He was a gifted educator and a great friend. He will be missed but never forgotten.

Bill Gayde and I were two of the three G's, Gagnon, Gayde, and Gutka. who were hired to teach at Fitzgerald High School in 1956. We spent many an evening after Fitzgerald Football games socializing at Frank's Shady Grove on Dequindre, and at school in the men's lounge listening to John Gutka's stories of his Marine gunnery sergeant's World War II stories on Guadalcanal, Saipan, Tarawa, and Tinian. On opposite sides of the negotiating table, Bill and I learned to respect each other's honesty and determination in hammering out contracts; furthermore, I enjoyed the annual retiree luncheons that Bill organized at the Gazebo every fall. Fine times, and to you, Bill Gayde, fellow golfing adversary, Ave atque Vale!
