

William Brian Hill

January 8, 1951 - September 14, 2020

William Brian Hill, age 69, a resident of Lake Orion, formerly of Berkley, passed away September 14, 2020.

Bill was born on January 8th, 1951 in Detroit, MI to William and Virginia Hill.

He was a big brother to six siblings, a husband and a companion to the love of his life, a father to four daughters, a grandfather to eight grandchildren, an uncle, a cousin, a nephew, a friend, and the warmest stranger you could've ever met.

He was proud. Proud of his heritage, of his family, of his hard work, of his stories, of the life he had built, and of each and every person he knew and cared for.

He was charming. Charming as a young boy, as a teenager, as an adult, and as an old man, even in his hardest of years.

He was effortlessly, belly-laughingly funny. The kind of funny that showed people what joy really felt like.

He was strong and gentle, resilient and sensitive, wise and silly, and a gentleman and a rascal all at the same time.

It was a privilege to love and be loved by him.

Bill was the loving father of Valerie (Thomas) Beetham of N. Muskegon, Yvonne (Kyle) Cameron of Lake Orion, Vanessa (Daran) Miller of Glen Rose, TX, and Olivia Hill (Steve Stavropoulos) of Detroit; proud grandfather of Joshua Beetham, Anna Beetham, Faith Morris, Emma Miller, Dawson Miller, Raylan Cameron, Livia Cameron, and Amelia Cameron; and dear brother of David Hill, Tennie (Houston) Sanders, and Brenda Criger all of Roseville. Also survived by his former wife, Diane Johnson. Predeceased by his parents, William and Virginia (Wroblewski) Hill; and siblings, Paulette Amspacher, Donna Tekely, and Richard Hill.

Visitation will take place Thursday, September 17, from 4:00 p.m. until 7:00 p.m. at Wm. Sullivan and Son Funeral Home, 705 W. 11 Mile Rd., Royal Oak (4 blocks east of Woodward). “ One of the memories as a very young kid was cousins (there 7 and our 6) walking down the street laughing and talking up a storm. Our asphalt sidewalk was too small; we took up the whole street lol. I was around 4, but I remember that day.

Bill JR was easy going and fun loving 💕 at every age :)

My love and prayers go out to all his family and friends.

Sorry, Covid is once again in the way of family coming together when we need each other the most. This year Aunt Betty, and way too soon Bill JR ...

“ *Best Cumberland Memory is when the Cumberland crew waited anxiously for Mr. Hill to come home with the food truck! He was always so generous and would let us pick something small for ourselves. He also had the Patience of saint to have all the neighborhood girls on the front porch playing barbies! He was blessed in this life and so generous to share his joy and kindness to all! Sympathy to the girls and family.*

“ *I called him "dad," because he wanted me too.... he had so much love in his heart, and I was blessed to know and feel that love. While walking to a fireworks display, we decided that I would call him dad, too! That was the beginning of such a special relationship; one that I will cherish, always. He allowed me into his world and showed me that there is nothing complicated about equality and spreading love to anyone that wants it. It was something that I had never really experienced, as a black woman, and it is what this world needs more of.... what a way to live and what a legacy he leaves for those who loved him... follow his example... I will surely miss him, but I'm so grateful for the time that I knew him. Love Always, Zavette*

“ So sorry to hear of Bills passing. He was our neighbor in Berkley and our boys played with the girls when they were young. Bill was so nice and caring. He was a sweet man. God bless Bill

“ There are so many. I was an honary Hill Girl growing up and spent so much time with Bill and the family. Sundays at Bald Mountain and hours spent playing on their front porch of the Cumberland house. I welcomed new babies into the family as if I were one of their own. My heart is truly breaking over his loss but I celebrate his life. He was like a second dad to me.

“ I never actually met Bill but I feel like I knew him because I often heard his voice over the phone, and it was one of the friendless I'd ever heard. Every time he called the office he would always say, "Hello young lady, I hate to bother you...."

I will miss that about Bill. And I am truly praying that God blesses your family during this trying time.
