“ Dear Wendy, Diane and families, I was so saddened to read of the passing of your father he was such a wonderful man. I think back to the Christmas times with the Minors and Giles and I always smile inside at the thought of the good time and laughter we were all able to have. I remember your father telling me stories about the discomfort that he went through before he had his hip "fixed" and the amazing recovery that he had. I've told stories about the Fisher Body coach that your father built as a young man and the detail that it had. Hope that all is well and I'm sorry that I will be unable to come to the service. “ Dear Wendy and Dianne, The Gibiser family fondly remembers the connection between our parents and yours and the strength of the neighborhood. I remember your father as a consummate gentleman and the graciousness of your mother. They were always wonderful to Helen once our father died and such a part of a caring neighborhood. Please accept our condolences, tempered by happy memories of growing up in Birmingham with such great neighbors. Fondly, Martha Gibiser Shea Berkley Gail Gibiser Sanderson
